ABOUT THE PROGRAM

SECTION 1: PROCESS OVERVIEW

SECTION 2: PROGRAM OVERVIEW

- \$475 million of funding administered by the California Office of the Small Business Advocate will be distributed by Lendistry as the Intermediary, with certain third-parties designated by Lendistry to provide additional support (“Partners”).
 - Anticipate issuing grants in the following two (2) rounds of distributions:
 - Round 1 – approximately \$237.5 million
 - Round 2 – approximately \$237.5 million
 - The program is **not** on a “first come, first served” basis.
 - The application portal for each round will open for applicants for a designated period of time determined by Lendistry.
 - Partners will conduct outreach and marketing to ensure small, vulnerable and disadvantaged businesses and nonprofits have access to the grant application platform.
 - Partners will provide technical assistance to business owners and nonprofits (to include translation/interpretation services) during application preparation and online submission.
 - Once applications are received, Lendistry will process for eligibility. Once rounds close, grant awards will be distributed based on the program priority factors.
- A committee of internal Lendistry team members will confirm the scorecard creation and geographical distribution based on program priority factors, including the COVID health and safety restrictions following California’s Blueprint for a Safer Economy, local county status and the new Regional Stay At Home Order which can be found at: <https://covid19.ca.gov/safer-economy/>.
 - If demand for grants from small businesses and nonprofits meeting the prioritization criteria exceeds available funding, priority factors will be assessed.
 - Applications received in each round will be processed in two (2) stages:
 - Stage 1: Applicants upload selected financial documents, identification documents and a business certification regarding accuracy and truthfulness of information submitted.
 - Stage 2: Eligible applicants will be requested to provide additional documentation for grant disbursement.

FIND A PARTNER

HOW TO SELECT A PARTNER

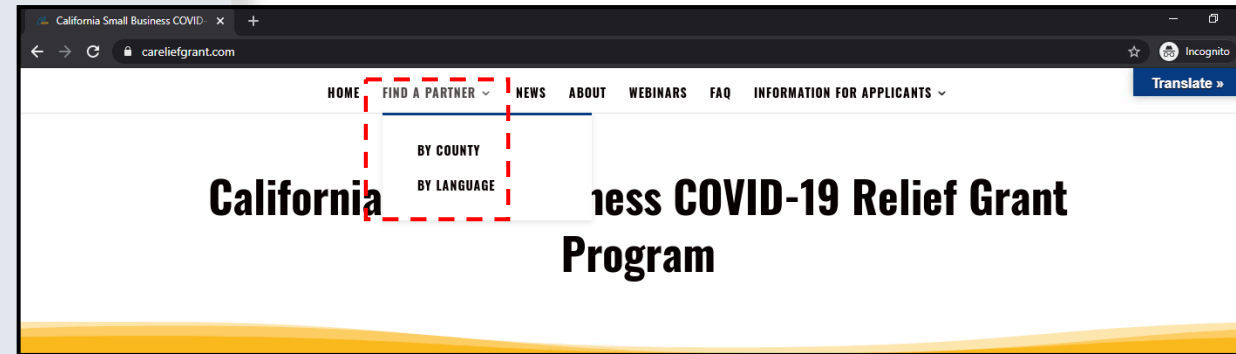

To apply for a grant, you will need to do so through a partner. You can find a partner by language or by county at www.CAReliefGrant.com.

- You may select any Partner that serves your area. Each county and all languages will have at least one Partner from which businesses can choose to apply. Some counties and languages will have more options than others.
- You are able to select the one that you think best fits your needs, as they can also provide other financing assistance for you, like working capital loans, equipment loans, as well as technical assistance to help you and your business.

Please apply once and through one partner only. Make note of your partner. You will need to sign into your Partner's unique Portal to upload documents.

To make sure you are signing into the correct Portal, find your Partner's name in the web URL.

Example: www.partnername.mylendistry.com

LINKING YOUR BANK INFO

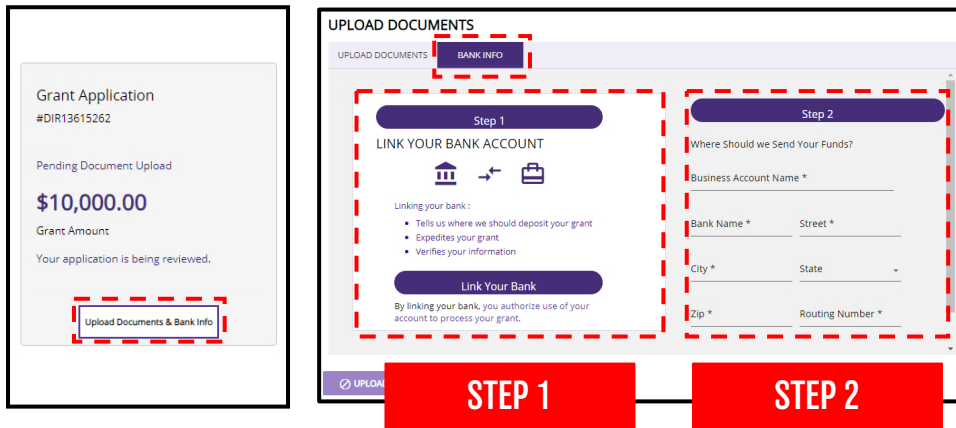

STEP-BY-STEP GUIDE

NOTE: THIS STEP DOES NOT NEED TO BE COMPLETED UNTIL YOU ARE APPROVED FOR THE GRANT.

SECTION 1: LINK YOUR BANK ACCOUNT

Lendistry uses a third-party technology (Plaid) to set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry's Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies. Lendistry uses this technology only to verify your bank statements. This method of bank verification is preferred but will not always work if your banking institution is not available through the provider. In this case, you can verify your bank account using the other proceeding methods.

How to Verify Your Bank Account in Lendistry's Portal via Plaid

STEP 1

- Click on “**Link Your Bank Account**” to open a window for Plaid.
- Continue through Plaid and locate your banking institution.
- Sign into your online banking account and connect it to Lendistry's Portal.

STEP 2

This step must always be completed regardless of the verification method you use.

- Enter your bank information.
- The “**Business Account Name**” field is NOT your account type. This field is your account name, which must be in the name of your business and listed on your bank statements.
- If your business is a sole proprietor, the bank account can be a personal account, but it must match your name.

FIND A PARTNER

HOW TO SELECT A PARTNER

To apply for a grant, you will need to do so through a partner. You can find a partner by language or by county at www.CAReliefGrant.com.

- You may select any Partner that serves your area. Each county and all languages will have at least one Partner from which businesses can choose to apply. Some counties and languages will have more options than others.
- You are able to select the one that you think best fits your needs, as they can also provide other financing assistance for you, like working capital loans, equipment loans, as well as technical assistance to help you and your business.

Please apply once and through one partner only. Make note of your partner. You will need to sign into your Partner's unique Portal to upload documents.

To make sure you are signing into the correct Portal, find your Partner's name in the web URL.

Example: www.partnername.mylendistry.com

FIND A GRANT

INSTRUCTIONS

1. Once you have selected a partner at www.CAReliefGrant.com, click “Apply Now”. You will be redirected to your partner’s Portal homepage.

The top section features a white box with a blue border containing the text "LEARN MORE ABOUT THIS PARTNER", and a solid blue button below it labeled "APPLY NOW". The bottom section is a sign-in page with a grey header that reads "In Partnership with The Center By Lendistry". It contains two columns: the left column has the text "Find the right Grant that fits your business needs" and a red dashed box around a blue button labeled "CLICK HERE TO APPLY"; the right column is titled "EXISTING CUSTOMERS SIGN INTO YOUR ACCOUNT" and includes input fields for "E-Mail" and "Password" (with a "Show/Hide" link), a "Forgot Password?" link, and a "SIGN IN" button. Below the sign-in fields, there is a "New dates and deadlines:" section with the following text: "Update and upload documents for in-process applications - January 6th, 2021 - January 13th, 2021 at 11:59 p.m." and "The new closing date for Round 1 is January 13th, 2021 at 11:59 pm."

SELECT A GRANT BASED ON BUSINESS CLASS

INSTRUCTIONS

There are two different grant applications:

Important Notes:

- You may only submit one application. Submitting multiple applications for one business may disrupt your application process.
- Applicants with multiple businesses may only apply for one grant. If you apply for multiple grants, only one will be reviewed.

LINKING YOUR BANK INFO

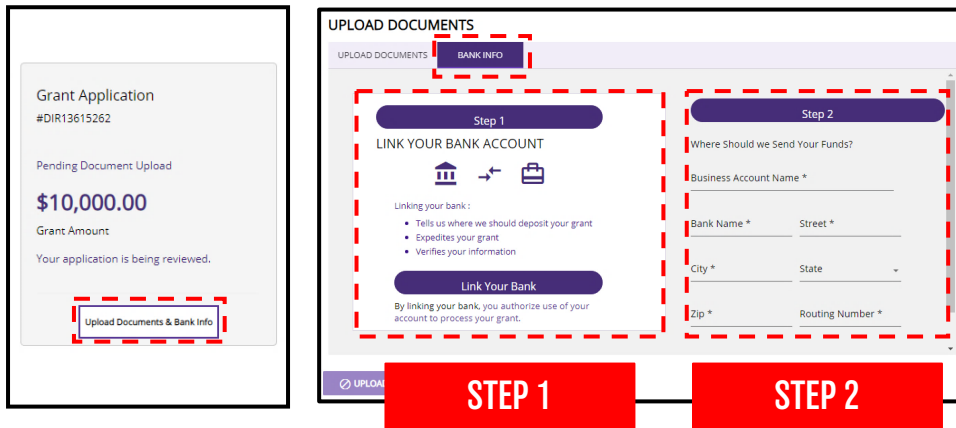

STEP-BY-STEP GUIDE

NOTE: THIS STEP DOES NOT NEED TO BE COMPLETED UNTIL YOU ARE APPROVED FOR THE GRANT.

SECTION 1: LINK YOUR BANK ACCOUNT

Lendistry uses a third-party technology (Plaid) to set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry's Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies. Lendistry uses this technology only to verify your bank statements. This method of bank verification is preferred but will not always work if your banking institution is not available through the provider. In this case, you can verify your bank account using the other proceeding methods.

How to Verify Your Bank Account in Lendistry's Portal via Plaid

STEP 1

- Click on “**Link Your Bank Account**” to open a window for Plaid.
- Continue through Plaid and locate your banking institution.
- Sign into your online banking account and connect it to Lendistry's Portal.

STEP 2

This step must always be completed regardless of the verification method you use.

- Enter your bank information.
- The “**Business Account Name**” field is NOT your account type. This field is your account name, which must be in the name of your business and listed on your bank statements.
- If your business is a sole proprietor, the bank account can be a personal account, but it must match your name.

FAQ

SECTION 1: CALIFORNIA RELIEF GRANT PROGRAM

OVERVIEW

What is the California Relief Grant Program?

The California Small Business COVID-19 Relief Grant Program (the “Program”) provides micro grants ranging from \$5,000 to \$25,000 to eligible small businesses and nonprofits impacted by COVID-19 and the related health and safety restrictions.

On November 30, 2020, Governor Newsom and the State Legislature announced the allocation of \$500 million to the Program to be administered by the California Office of the Small Business Advocate (CalOSBA) at the Governor’s Office of Business and Economic Development.

Lendistry has been designated by the state to act as the intermediary for the Program to disburse the grant funds.

Who is Lendistry?

Lendistry is a technology partner that hosts and manages the portal for the Program’s grant application and will make grant payments to approved applicants. Applicants will receive notifications from Lendistry on the status of their application and requests for business information and supporting documents, including their business bank account information. Visit www.lendistry.com to learn more about Lendistry.

Who else can help me apply for the California Relief Grant Program?

Lendistry’s partners include mission-based lenders and small business advisory and technical assistance providers who are available to help small businesses with the application process. This includes many of the State of California supported small business centers who prioritize the expansion of technical assistance to underserved business groups. Our partners have been organized by location and by language services. You can find our list of partners by clicking [here](#).

What are the key dates for application submissions and funding for the California Relief Grant Program?

Round 1

- Application Opens: December 30, 2020 at 6:00 AM
- Application Closes: January 13, 2021 at 11:59 PM
- Start of Approval Notification: Businesses will start getting award notifications a couple days after close.

We will review applications for eligibility and will start approving grant awards after the close of each application round. Applicants who submitted their application and submitted all documentation in the first round do not need to reapply; qualified applications for eligible businesses will be rolled over into the next funding round for consideration.

SECTION 1: CALIFORNIA RELIEF GRANT PROGRAM

What are the key dates for application submissions and funding for the California Relief Grant Program? (cont.)

Round 2

Application Opens: TBA

Application Closes: TBA

Start of Approval Notifications: TBA

We will review applications for eligibility and will start approving grant awards after the close of each application round. Round 2 is the final application window for the Program. Grant awards for businesses in the second application window will be made in two decision rounds for funding.

SECTION 2: FUNDING ROUNDS

OVERVIEW

How many rounds are there?

There are two application rounds. We will review applications for eligibility and will start approving grant awards after the close of each application round.

Do I need to apply in each round?

No. If you submitted a complete application during an application window, meet the eligibility requirements and are not awarded a grant in the first round, your application will be rolled over into the next round for consideration.

How will grant recipients be determined?

First, applications will be reviewed to determine whether the applicant meets the eligibility requirements. Eligible businesses will then be scored based on COVID-19 impact factors incorporated into the Program's priority criteria. The Program will prioritize distribution based on priority key factors, including the following:

- Geographic distribution based on COVID-19 health and safety restrictions following California's Blueprint for a Safer Economy, county status and the new Regional Stay At Home Order which can be found at <https://covid19.ca.gov/safer-economy/>
- Industry sectors most impacted by the pandemic
- Underserved small business groups served by the State supported network of small business centers (i.e., businesses majority owned and run on a daily basis by women, minorities/persons of color, veterans and businesses located in low-to-moderate income and rural communities)

SECTION 2: FUNDING ROUNDS

When will I find out if I received an award?

Decisions will be made on a rolling basis following the close of each application period.

You will be notified directly by email if you are approved for an award, waitlisted or not selected. Lendistry intends to send approval notifications for the first round weekly starting on or around January 13, 2021. Please add Lendistry to your safe-sender list in your email and check your spam for email messages from Lendistry. Once notified of approval, your application will be subject to additional verification requirements before grant funds will be disbursed. It is also recommended that you allow Lendistry to send you messages via text (this will be requested during the application process).

Will everyone who applies receive a grant?

No. There are several million small businesses and nonprofits in California, and we anticipate an overwhelming demand for these grants. Eligible businesses will be scored based on COVID-19 impact factors incorporated into the Program's priority criteria. The Program will prioritize distribution based on priority key factors, including the following:

- Geographic distribution based on COVID-19 health and safety restrictions following California's Blueprint for a Safer Economy, local county status and the new Regional Stay At Home Order which can be found at <https://covid19.ca.gov/safer-economy/>;
- Industry sectors most impacted by the pandemic
- Underserved small business groups served by the State supported network of small business centers (i.e., businesses majority owned and run on a daily basis by women, minorities/persons of color, veterans and businesses located in low-to-moderate income and rural communities).

Will I be notified if I am not selected?

You will be notified directly by email if you are approved for an award, waitlisted or not selected. Please add Lendistry to your safe-sender list in your email and check your spam for email messages from Lendistry.

SECTION 3: APPLICATION GUIDANCE

My application was started, but unfinished before the first application window closed at 11:59 PM on January 13th. Do I need to restart my application?

Lendistry is available to assist you in understanding what business information is needed and how to upload documents.

Confirmation emails come from Lendistry at no-reply@mylendistry.com. If you did not receive a confirmation email after submitting your application, please check your spam folder for emails from no-reply@mylendistry.com and add the email address to your email account's safe sender list.

TIP: Place "Lendistry" in your search bar.

Does it matter which Partner organization services a grant application in my area?

You may select any Partner that serves your area. Each county and all languages will have at least one Partner from which businesses can choose to apply. Some counties and languages will have more options than others. You can research Partners that serve your county at CAReliefGrant.com. You are able to select the one that you think best fits your needs, as they can also provide other financing assistance for you, like working capital loans, equipment loans, as well as technical assistance to help you and your business.

TIP: Only apply to one organization as this will help to reduce delays in the process. Applying multiple times will not improve your chances to secure a grant and will delay your application.

I'm reviewing the list of partner institutions and looking for the one that would fit me best. There are several groups listed for my county. Can I apply through various organizations?

No. Submitting through multiple organizations will only delay your application from being processed. Select the one that you think best fits your needs, as they can also provide other financing assistance for you, like working capital loans, equipment loans, and technical assistance to help you and your business.
