ABOUT THE PROGRAM
Governor Newsom signed into law a comprehensive package providing urgent relief for the small businesses of CA. The package provides $2 billion for grants up to $25,000 for small businesses impacted by the pandemic. Part of the package will be allocated to a new program solely for certain qualified nonprofit cultural institutions (“Nonprofit Arts & Cultural Program”), which will be a separate application process.

Anticipate issuing grants in the following four (4) rounds of distributions:
1. Round 3 (closed round): $486,000,000
2. Round 4 (Nonprofit Arts & Cultural): $47,875,000
3. Round 5 (open round): $729,000,000
4. Round 6 (open round): $729,000,000

The following are the tentative dates (subject to change):
1. Round 3: March 5th-11th, 2021
2. Round 4: March 16th-26th, 2021
4. Round 6: TBD

The program is not on a “first come, first served” basis.

The application portal for each round will open for applicants for a designated period of time determined by Lendistry.

Partners will conduct outreach and marketing to ensure small, vulnerable and disadvantaged businesses and nonprofits have access to the grant application platform.

Partners will provide technical assistance to business owners and nonprofits (to include translation/interpretation services) during application preparation and online submission.

Once applications are received, Lendistry will process for eligibility. Once rounds close, grant awards will be distributed based on the program priority factors.

A committee of internal Lendistry team members will confirm the scorecard creation and geographical distribution based on program priority factors, including the COVID health and safety restrictions following California’s Blueprint for a Safer Economy, local county status and the new Regional Stay At Home Order which can be found at: https://covid19.ca.gov/safer-economy/.

If demand for grants from small businesses and nonprofits meeting the prioritization criteria exceeds available funding, priority factors will be assessed.

Applications received in each round will be processed in two (2) stages:
- Stage 1: Applicants upload selected financial documents, identification documents and a business certification regarding accuracy and truthfulness of information submitted.
- Stage 2: Applicants that are approved for funding will be requested to provide additional documentation for grant disbursement.

Lendistry will distribute grants on behalf of the State of California to approved eligible businesses and nonprofits.

Lendistry will arrange to deliver applicable tax forms to grantees.
Eligible nonprofit cultural institutions for the Nonprofit Arts & Cultural Program will be required to complete a new application even if they already applied for the COVID-19 Relief Grant Program; provided that grants will not be awarded to any eligible nonprofit cultural institution if such entity has otherwise been awarded a grant.
Eligible businesses must have a physical address and operate in California.

- California address to be validated through submitted tax returns. Businesses providing tax returns referencing a non-California address will be deemed ineligible.

LINKING YOUR BANK INFO
FOR APPROVED APPLICANTS ONLY
Lendistry uses a third-party technology (Plaid) to set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry’s Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies. Lendistry uses this technology only to verify your bank statements. This method of bank verification is preferred but will not always work if your banking institution is not available through the provider. In this case, you can verify your bank account using the other proceeding methods.

SECTION 1: PROGRAM OVERVIEW

What is the California Relief Grant Program?
The California Small Business COVID-19 Relief Grant Program (the “Program”) provides micro grants ranging from $5,000 to $25,000 to eligible small businesses and nonprofits impacted by COVID-19 and the related health and safety restrictions.

Governor Newsom signed into law a comprehensive package providing urgent relief for the small businesses of CA. The package provides $2 billion for grants up to $25,000 for small businesses impacted by the pandemic. Part of the package will be allocated to a new program solely for certain qualified nonprofit cultural institutions (“Nonprofit Arts & Cultural Program”), which will be a separate application process.

Lendistry has been designated by the state to act as the intermediary for the Program to disburse the grant funds.

Who is Lendistry?
Lendistry is a technology partner that hosts and manages the portal for the Program’s grant application and will make grant payments to approved applicants. Applicants will receive notifications from Lendistry on the status of their application and requests for business information and supporting documents, including their business bank account information.

Visit www.lendistry.com to learn more about Lendistry.

Who else can help me apply for the California relief grant program?
Lendistry’s partners include mission-based lenders and small business advisory and technical assistance providers who are available to help small businesses with the application process. This includes many of the State of California supported small business centers who prioritize the expansion of technical assistance to underserved business groups. Our partners have been organized by location and by language services.

- All employee expenses including payroll costs, health care benefits, paid sick, medical, or family leave, and insurance premiums;
- Working capital and overhead, including rent, utilities, mortgage principal and interest payments (excluding mortgage prepayments), and debt obligations (including principal and interest) incurred before March 1, 2020 (i.e., in order to be an eligible debt obligation, the loan agreement, promissory note, etc., as applicable, must have been entered into before March 1, 2020);

SECTION 2: APPLICATION GUIDANCE

How many rounds are there?
There are six (6) selection rounds. We will review applications for eligibility and will start approving grant awards after the close of each application round.

Do I need to apply in each round?
Unless you are applying for the Nonprofit Arts & Cultural Program, you do not need to reapply in each round. If you submitted a complete application during an application window, meet the eligibility requirements and are waitlisted for that round, your application will be rolled over into the next round you are qualified for.

If you are an eligible nonprofit cultural institution that would like to apply for the separate Nonprofit Arts & Cultural Program, you will be required to complete a new application for this program to be considered, even if you have already applied in other rounds. However, you will not be eligible to receive a grant through the Nonprofit Arts & Cultural Program if you have otherwise been awarded a grant in a separate round and should not apply to this program. My application was started, but unfinished before the application window closed.

Do I need to restart my application?
If you started an application during the application window and your application is incomplete, you can log into your account with Lendistry to submit a complete application. Doing this as early as possible increases your chances of being selected but does not guarantee you will be selected.

How will I know you have all my information to be considered?
You will receive a confirmation email from noreply@lendistry.com to confirm your application has been received. If more information or documents are needed, Lendistry may contact you by email, phone and/or text (if authorized) and assist you with completing your application and verifying the information you submitted. Lendistry is available to assist you in understanding what business information is needed and how to upload documents.

Confirmation emails come from Lendistry at noreply@lendistry.com. If you did not receive a confirmation email after submitting your application, please check your spam folder for emails from noreply@lendistry.com and add the email address to your email account’s safe sender list.

TIP: Place “Lendistry” in your search bar.
SECTION 2: APPLICATION GUIDANCE

Does it matter which partner organization services a grant application in my area?
You may select any Partner that serves your area. Each county and all languages will have at least one Partner from which businesses can choose to apply. Some counties and languages will have more options than others. You can research Partners that serve your county at CAReliefGrant.com. You are able to select the one that you think best fits your needs, as they can also provide other financing assistance for you, like working capital loans, equipment loans, as well as technical assistance to help you and your business.

TIP: Only apply to one organization as this will help to reduce delays in the process. Applying multiple times will not improve your chances to secure a grant, and will delay your application.

I’m reviewing the list of partner institutions and looking for the one that would fit me best. There are several groups listed for my county. Can I apply through various organizations?
No. Submitting through multiple organizations will only delay your application from being processed. Select the one that you think best fits your needs, as they can also provide other financing assistance for you, like working capital loans, equipment loans, and technical assistance to help you and your business.

Are the application questions posted on the website so that I can prepare to answer the questions before beginning the actual application?
You can refer to the Application Instructions, which takes you step-by-step through the application process. Application Instructions can be found at CAReliefGrant.com.

How much can my business apply for?
Grant amounts will range from $5,000 to $25,000. The grant amount for which a business is eligible is based on its gross annual revenue, as documented on its most recent tax return.

Owners of multiple businesses, franchises, locations, etc. will be considered for only one grant and are required to apply for their business with the highest revenue.

Owners of multiple businesses, franchises, locations, etc. will be considered for only one grant and are required to apply for the business with the highest revenue.

51% of ownership to determine eligibility for Low-Wealth status.

Am I eligible for the program if my revenue for this year is less than $2.5 million, but last year and the years before, it was more than $2.5 million?
Grants are available only for businesses and nonprofits with gross annual revenue of $2.5 million or less (based on the most recent tax return or Form 990, as applicable). Revenue is determined based on the IRS tax form definition of “Gross Sales” (less any returns and allowances) as reported on Line 1.c. on both the 1120 (corporate return) or 1120S (S-Corp return); on Line 3 on IRS Schedule C for single member LLCs and sole proprietorships; on Line 1.c. on Form 1065, for partnerships; on Line 1.c. and Line 2 on Form Schedule F for farming businesses; and Line 12 on Form 990 for non-profits. Schedule E is not eligible.

Eligible businesses must have a physical address and operate in California.

Are real estate companies/brokers/sales agents eligible grantees?
Real estate professionals who practice real estate as their operating business and file a Schedule C on their personal tax returns are eligible. Passive companies (including passive real estate companies) and investors who file a Schedule E on their personal tax returns are not eligible. Real estate businesses in which the majority (>51%) of their income is rental income are also not eligible.
A government-issued photo ID is a required document. Is a state ID allowed instead of a driver's license? Or would other forms of picture identification be allowed?

Generally, valid proof of identity documents for California DMV purposes will be acceptable, provided that at least one form needs to be a photo ID. The photo identification should currently be effective (i.e., unexpired) to be valid. For more information regarding the acceptable forms of photo identification for California DMV purposes, please see the information below:

SECTION 2: APPLICATION GUIDANCE

Do I have to pay taxes on the grant proceeds?
Yes. Prior to February 15, 2022, you will receive tax information related to the grant proceeds, which you will need to report on your tax returns. Please consult with a tax professional for additional information.

SECTION 2: APPLICATION GUIDANCE

Are non-profits that use a fiscal sponsor eligible?
Non-profits using a fiscal sponsor are only eligible if the nonprofit is separately registered as a tax-exempt organization pursuant to either Code Section 501(c)(3), 501(c)(6), or 501(c)(19) and meets all other eligibility requirements. Non-profits cannot rely on the fiscal sponsor’s tax-exempt status for eligibility.

(CONTINUED)
We do not sell your personal information to advertisers or other third-parties for financial gain. Any sharing of personal information with third-parties is done in accordance with Lendistry’s privacy policy (available here) and is primarily for the purposes of making available and/or providing Lendistry’s products and services to you, including this grant.

My non-profit’s tax-exempt status is based on a group exemption based on a parent or supervising entity. Can I receive a grant based on this group exemption?
Generally, a nonprofit entity that files under a group exemption is only eligible to receive a grant if (1) the applicant under the group exemption files a separate tax return tied to the applicant’s separate tax-ID number and (2) the applicant meets all other eligibility requirements for the grant.

Who is a permissible “authorized representative” for executing a nonprofit’s certification and grantee agreement?
A nonprofit’s business certification and grantee agreement must be executed by the organization’s executive director or equivalent senior managing officer of the organization. This individual must be the same individual listed on the organization’s Statement of Information filed with the state.
SECTION 3: THE SELECTION PROCESS

How will grant recipients be determined?
Lendistry will analyze for selection all applications entered into the Portal. Lendistry will consult with the California Office of the Small Business Advocate (CalOSBA or the “office”) and design the program selection for prioritization of impacted businesses. Grants will be prioritized, to the extent permissible under state and federal equal protection laws, in accordance with the following criteria:

1. Geographic distribution based on COVID-19 health and safety restrictions following California’s Blueprint for a Safer Economy and county status and the Regional Stay Home Order.
2. Industry sectors most impacted by the pandemic, including, but not limited to, those identified as in the North American Industry Classification System codes beginning with:
   - 61 – Educational Services
   - 71 – Arts, Entertainment, and Recreation
   - 72 – Accommodation and Food Services
   - 315 – Apparel Manufacturing
   - 448 – Clothing and Clothing Accessory Stores
   - 451 – Sporting Goods, Hobby, Musical Instrument, and Book Stores
   - 485 – Transit and Ground Passenger Transportation
   - 487 – Scenic and Sightseeing Transportation
   - 512 – Motion Picture and Sound Recording Industries
   - 812 – Personal and Laundry Services
   - 5111 – Newspaper, Periodical, Book and Directory Publishers
3. Nonprofit mission services most impacted by the pandemic, including, but not limited to, emergency food provisions, emergency housing stability, childcare, and workforce development.
4. Disadvantaged communities tracked by socioeconomic indicators that may include, but are not limited to, low to moderate income, poverty rates, unemployment, educational attainment, and other disadvantaging factors that limit access to capital and other resources.

Grants to eligible nonprofit cultural institutions will be prioritized on documented percentage revenue declines based on a reporting period comparing Q2 and Q3 of 2020 versus Q2 and Q3 of 2019.
SECTION 3: THE SELECTION PROCESS

When will I find out if I received an award?
Decisions will be made on a rolling basis following the close of each application period.
You will be notified directly by email if you are selected to move forward, approved for funding, waitlisted or not selected. Lendistry intends to send selection notifications on the following dates for each round:
• Round 1: Start of Selection Notification: Businesses will start getting award notifications a couple days after close.
• Round 2: February 11, 2021
• Round 3 (Closed Round): March 05, 2021
• Round 4 (Arts & Cultural Program): March 26, 2021
• Round 5: TBD
• Round 6: TBD

Please add Lendistry to your safe-sender list in your email and check your spam for email messages from Lendistry. Once notified of approval, your application will be subject to additional verification requirements before grant funds will be disbursed. It is also recommended that you allow Lendistry to send you messages via text (this will be requested during the application process).

Will everyone who applies receive a grant?
No. There are several million small businesses and nonprofits in California, and we anticipate an overwhelming demand for these grants. Eligible businesses will be scored based on COVID-19 impact factors incorporated into the Program’s priority criteria. The Program will prioritize distribution based on priority key factors (see above question on How Will Grant Recipients Be Determined?)

Will I be notified if I am not selected?
You will be notified directly by email if you are approved for an award, waitlisted or not selected. Please add Lendistry to your safe-sender list in your email and check your spam for email messages from Lendistry.
SECTION 3: THE SELECTION PROCESS

What are the different selection decisions?

WAITLISTED: Applicant is preliminarily determined to meet the eligibility requirements for the grant and is in line for validation. **This grant is not first come, first serve, but there is a limited amount of funding. Applying does not guarantee funding.**

SELECTED: Applicant has been selected for pre-approval, subject to further validation. Being selected does NOT guarantee funding.

APPROVED FOR FUNDING: Applicant has been fully validated and approved for funding. Applicants will be sent a grantee agreement via DocuSign, which must be signed for funds to be released.

NOT SELECTED: Applicant does not meet the program’s eligibility requirements or is considered an ineligible business. Applicant will not receive a grant. If the program has ended, this means you were not selected.

I have received an email with a *waitlisted* or *selected* decision. What should I do next?

If you have received a waitlisted communication, please be patient and wait for further communication. You will be notified if you are selected for a grant.

If you have received a selected decision, sign into the Portal and upload all requested documents AND complete the bank verification if you have not done so already.

If there are any issues with your documentation or bank verification, a member of the Lendistry Validation Department will contact you via phone, email, and/or text. Please allow up to 7 business days for us to reach out to you to assist you with clearance.

My documents and bank information has been fully validated and I have been approved for funding. When will I receive funding?

Once fully validated and approved for grant funding, you will be sent a grantee agreement via Docusign. Funding will not be released unless and until the grantee agreement is fully executed.

Once we have received a fully executed grantee agreement, please allow up to 5 business days for funding to be received.
